

ELECTRIC FRY TOP SMOOTH PLATE

CODICE
CR0854229

MODELLO
OFT610EL

SERIE
SERIE 650

GENERAL CHARACTERISTICS

The OLIS SNACK 650 range has a design that characterises all equipment in both top and monoblock versions, with large knobs and an ergonomic dashboard shape.

The wide choice of machines and high performance make this range the ideal choice for environments that are not very spacious but still require high-performance machines.

The modularity of the range allows infinite combinations with installation on compartment bases or tables.

TECHNICAL SPECIFICATIONS

■ The plates heated by high-powered electric heating elements, such as to ensure a rapid rise in temperature and the maintenance of the chosen values. The plates are equipped with splash guards so as to ensure perfect cleanliness and hygiene of the cooking surface.

The work surface is slightly inclined so as to convey sauces, fats and seasonings, into the special large-capacity collection drawer. All electric models, have a thermostatic temperature control, safety thermostat and power indicator lights. ■ The fry tops are equipped with a perimeter splash guard and a removable drip tray.
